

# The Transcendance Studios' Holiday Express

## PERFORMANCE PARTICIPATION FEE

There is a non-refundable \$60 participation fee per student to be charged to the credit card on file on November 5.

There are no separate ticket or costume charges for this show. This participation fee covers costume rental, storage, and maintenance, theatre rental, insurance, and staffing. This fee remains the same even if your dancer is participating with more than one class or show, and no matter how many tickets you choose to reserve.

Holiday Express participation is assumed for all students, unless a Performance Withdrawal Form is filled out by a parent. Performance Withdrawal Forms must be returned to the front desk by November 1.
