REGISTRATION FEE

A \$30 Registration Fee per family is charged each session. This is due upon processing your registration.

HOLIDAY EXPRESS PARTICIPATION FEE

\$60 per student, to be charged with November tuition. This participation fee covers costume rental and maintenance for all of the dancer's classes, theater rental, event staffing, and up to ten tickets for family and friends to see the show. Holiday Express participation is assumed for all students, unless a Show Withdrawal Form is filled out by a parent at the front desk by November 1. This participation fee structure is different from our Spring Recital.

SPRING RECITAL COSTUME FEES

Costume fees include all costume pieces, hair pieces, accessories, and tights. Over the Fall/Spring Session, a Recital Costume Fee of \$70.00 (plus applicable sales tax) per recital-performance class will be charged. Monthly Auto-Debits on September 5, October 5, November 5, and December 5 will each include 25% of the total costume fees. The first payment of any registration received after September 5 will include all previously due costume payments. For example, if a student registers on October 7, their first payment due will include 50% of costume fees. The TDS Holiday Express show in December does not have a separate costume fee. Some classes are non-performing and do not have costume fees; see the class schedule. See also Recital Costumes policy under Performances.

CLASS TUITION

Tuition will depend upon the number of classes chosen and the duration of each class. The rates shown are per month. We do not accept one-time or drop-in students.

MULTIPLE CLASS ENROLLMENT DISCOUNT

The Multiple Class Enrollment Discount is a sliding scale based on the number of family enrollments. Discounts apply per family. An "enrollment" is defined as a position held in a class. Two dancers taking two classes each would count as four enrollments. Discounts do not apply to master classes or special events. The Multiple Class Enrollment Discount cannot be combined with any other discounts.

MONTHLY AUTO-DEBIT

Upon enrolling for classes, a current debit/credit card must be retained on your TDS account, upon which recurring payments are authorized. Accounts that do not retain a current debit/credit card on file will not be allowed to take class. We accept Visa, MasterCard, and Discover. Payment is made through a monthly auto-debit of a debit/credit card on the 5th of each month. Tuition charges are amortized over the entire session (9 months for Fall/Spring and 3 months for Summer) Monthly tuition is not dependent on the number of classes in a particular month and remains as stated, whether there are 2, 3, 4 or 5 classes that month. Tuition will be charged regardless of the dancer's attendance. Please review all of the studio's billing and attendance policies. Receipts for the monthly charge are emailed to each account. Transcendance Studios retains the right to process payments at any time during the month if a scheduled auto-debit is declined by the debit/credit card issuer for any reason.
